UNIVERSITY CLUB IS BACK!

Due to the retirement of most officers, the University Club has been inactive for the past two years. Last month, a relatively new WVU employee volunteered to serve as President and take the lead on resuming club activities.

A HELLO FROM TIFFANY, PRESIDENT

Hello everyone! First, thank you for taking the time to check out this newsletter. When I started at WVU in March, I wanted to take advantage of all the benefits available to me as a new WVU employee. I came across the University Club website and noticed most of the information had not been updated in a couple of years. After some time, I volunteered to try to revitalize the club.

I think the University Club can be a great opportunity to connect with others in our community, collaborate on service projects, and sometimes just have fun. I hope to increase club membership, develop a social media presence, and resume club activities. I can't do it alone though – I need your help! Let me know if you have ideas for social events, service projects, or want to become a member or officer.
